Menu Bars

Each product has a **Menu** that is located down the left side of the screen that expands when clicked to list Topic Pages. (On mobile devices the menu may appear different but will be located in the upper left near the product logo.) In addition to standard subject areas, you will find special links like Hot Topics, regulatory and commercial trackers, and exclusive editorial features.

1 Click on the Menu icon to expand the menu bar.

2 Click on the arrows to expand or collapse the topic lists to see more or less.

Feds Holding Workshop on Medical Device Cybersecurity Gaps

By [Ferdous Al-Faruque](#)

Following several cases highlighting medical device cybersecurity vulnerabilities and concerns

1 Set an **Alert** from **Topic Pages** with “1-click” – and whenever new content is published about your topic, an email alert will be delivered to you. When you set an alert, the alert icon will change state to a filled in appearance so you can easily see where you have set your alerts while on Topic pages.

2 **Bookmark** any article with “1-click” on the bookmark icon. When an article is bookmarked, the bookmark icon changes state to a filled in appearance so it is easy to see which articles have been bookmarked.

Articles you bookmark will be saved for you under **My Account** (located on the upper right of the pages) where you can go to access them at any time.

* Note: You must be logged in to save an alert or bookmark. If you are not logged in when you click on the link, you will be prompted to log in.

Article Pages

Across the top and bottom of every **article page** there is a toolbar to share, save, or follow up on the article.

The screenshot shows the Informa Pharma intelligence website interface. At the top, there's a navigation bar with the Informa logo and a search bar. Below the navigation is a banner for 'YOUR ACCESS to the right pharma, biotech and finance partners' and 'BIO-EUROPE' conference. The main article title is 'Start-Up Quarterly Statistics: Private And Public Firms Were Prolific Fundraisers' by Deanna Kamienski. The article includes an executive summary and a related content section with a photo of a man in a suit.

- 1 Click **ASK THE ANALYST** to access the Ask the Analyst service (for subscribers).
- 2 Click **EMAIL** icon to fill out a simple form to share the article by email.
- 3 Click the **PRINT** icon to print the article to hard copy or pdf.
- 4 Click the **BOOKMARK** icon to save the article to your Bookmarked Articles listing which is located under **My Account**.
- 5 Click the **LINKED IN** or **TWITTER** icons to share the article with your social networks.

- 1** **Cosmetics Provisions Unlikely To Catch Ride On FDA User-Fee Bill**
- 27 Apr 2017 | ANALYSIS
- by **Lauren Nardella** (lauren.nardella@informa.com)
- Executive Summary**
With the release of an atypically lean, clean FDA user-fee reauthorization draft bill, it's doubtful that cosmetics regulatory reform language will get tacked onto the must-pass legislation. Stakeholders likely will refocus their efforts on standalone cosmetics legislation to modernize FDA's oversight of the industry.
